MIAMI TOWNSHIP POLICE DEPARTMENT ISSUE #40 TAX LEVY RENEWAL

Putting Levy Funds to Work

- Sustains daily operations by maintaining vehicles, creating better communication and supplying general needs
 - Ensures consistent service for our residents
- Helps replace old cruisers, outdated in-car video systems, worn out uniforms and safety equipment
- Allows for new software that improves officer efficiency and extends their time on the streets
 - Continues recruitment and hiring of new officers
- Maintains a strong partnership with residents through programs like National Night Out

WHAT VOTERS NEEDS TO KNOW:

- Seized federal and state funds are used for some capital expenditures to offset use of levy funds
 - We work diligently to use levy money for everyday expenses
- A levy defeat will restrict day-to-day operations and reduce services

WHO WE ARE:

- Nationally accredited through the Commission on Accreditation for Law Enforcement
 - Strive for professional excellence and community commitment
 - Use progressive investigative techniques and technology
 - Respond to 27,000+ calls a year
