Standards for a Conditional Use

In each specific case, the Board of Zoning Appeals shall not grant a Conditional Use unless it shall make specific findings of fact. *The Board of Zoning Appeals will conclude a decision directly based upon the particular evidence presented. These findings will include the following:*

- A. The proposed Conditional Use will comply with all applicable regulations of this Resolution, including lot size requirements, development standards and use limitations.
- B. Adequate utility, drainage and other such necessary facilities have been or will be provided.
- C. Adequate access roads or entrance and exit drives will be provided and will be so designed as to prevent traffic hazards and to minimize traffic conflicts and congestion in public streets and alleys.
- D. All necessary permits and licenses for the use and operation of the Conditional Use have been obtained, or evidence has been submitted that such permits are obtainable for the proposed Conditional Use on the subject property.
- E. All exterior lights for artificial open-air illumination are so shaded as to avoid casting direct light upon any adjacent property located in a Residential District.
- F. The location and size of the Conditional Use, the nature and intensity of the operation involved or conducted in connection with it, the size of the site in relation to it, and the location of the site with respect to streets giving access to it shall be such that it will be compatible with the appropriate and orderly development of the district in which it is located.
- G. The location, nature, and height of buildings, structures, walls, and fences on the site and the nature and extent of landscaping and screening on the site shall be such that the use will not unreasonably hinder or discourage the appropriate development, use and enjoyment of adjacent land, buildings and structures.
- H. The Conditional Use requested will not adversely affect the public health, safety, or morals.

Note: If doing a conditional use (lot split), your next step is the field survey, preparation of the deeds, and submittal to the Montgomery County Planning Commission.
