POSITION SUMMARY

The Planning Technician/Inspector, under direction of the Community Development Director and his/her assign, is responsible for providing planning support within the office and inspection services in the field. This is an entry level position of moderate complexity and involves interpretive judgment within prescribed standards with moderate opportunity for discretion and independent action. The work requires the exercise of independent judgment in the application of prescribed procedures and methods to routine operational matters. The work is performed with latitude for limited technical determination and independent planning of work details. This position is a zoning inspector position for purposes of performing compliance and enforcement actions related to the Miami Township Zoning Resolution and property maintenance standards. The Planning Technician/Inspector must possess the skills and abilities to readily address the public in a pleasant, consistent, and helpful manner.

JOB DUTIES AND RESPONSIBILITIES

The following list of job duties for this position includes activities that must be performed efficiently, effectively and safely in the execution of daily-required tasks. This list is intended to provide a general overview of typical duties, as well as the complexity of the work to be performed by this position. It is not intended to be an exhaustive list of duties, responsibilities or specific tasks and other duties are typically assigned.

- Conduct plan review of construction project applications to determine compliance with applicable zoning provisions pursuant to Miami Township regulatory codes;

- Issue zoning certificates or denial notices for applications received;
- Conduct field inspections for all new construction and change of use for purposes of determining compliance with applicable zoning standards and certificates;
- Investigate possible zoning and property maintenance violations in response to public complaints or those observed while in the field;
- Utilize digital devices and software programs to collect, record, analyze and report on various planning and zoning issues;
- Prepare violation notices and orders for any construction project or property found in violation of the Miami Township zoning resolution and Exterior Property Maintenance code;
- Administer, monitor and complete all necessary paperwork required to document and complete tax assessments on nuisance abatement actions;
- Prepare materials for court prosecution as a result of summons, citations or warrants issued;
- Appear in court as complainant or witness as required;
- Conduct special surveys, including non-conforming uses, and prepare oral and/or written reports on findings, including comparative statistics;
- Maintain complete and accurate record of all applications reviewed, inspections completed and violation cases investigated;
- Assist the public by providing information on all applicable zoning provisions and procedures and provide referrals to the proper agencies;
- Review and prepare files for long term storage ensuring all required documents are in order;
- Discuss application procedures and review construction plans with builders, developers and the public;
- Support the relationship between the Township and the public by demonstrating courteous and cooperative behavior when interacting with citizens, visitors, and Township staff;
- Maintain confidentiality of work-related issues and Township information;
- Maintain public records pursuant to the Public Records Policy of Miami Township;
- Present reports and other findings to staff, boards, and the Zoning Commission;
- Maintain required attendance and present a professional appearance at all times;
- Responds to requests in a timely manner and meet required deadlines;
- Perform physical removal of items from public areas that are in violation of the zoning ordinances;
- Travel, which may include driving to and from public events, conferences, training seminars, meetings, and other similar functions and may also include travel on aircraft or other means of transportation;
- Utilize and wear required uniform for the position as assigned;
- Performs other duties as required or assigned

ESSENTIAL FUNCTIONS OF POSITION

- Valid Ohio Driver’s License
- Must be able to pass background check and drug screening

SUPPLEMENTAL INFORMATION

Employees are subject to a six-month probationary period and then to an additional six-month conditional status pursuant to the Employee Manual of Miami Township. Performance evaluations will then occur on an annual basis following successful completion of probationary and conditional status.

This position is currently scheduled to work as outlined above. Schedules may change or be temporarily adjusted as the needs of the organization or personnel change.

INTENT AND FUNCTION OF JOB DESCRIPTIONS/CLASS SPECIFICATIONS

Job Descriptions or Class Specifications (Job Descriptions) assist Miami Township in ensuring that the hiring process is fairly administered and that qualified employees are selected. They are also essential to an effective appraisal system and related promotion, transfer, layoff, and termination decisions. Well-constructed job descriptions are an integral part of any effective compensation system.

All descriptions have been reviewed to ensure that only essential functions and basic duties have been included. Peripheral tasks, only incidentally related to each position, have been excluded. Requirements, skills, and abilities included have been determined to be the minimal standard requirements to successfully perform the position’s responsibilities and requirements. In no instance should the duties, responsibilities, and requirements delineated be interpreted as all-inclusive. Additional functions and requirements may be assigned by supervisors as deemed appropriate.

In accordance with the Americans with Disabilities Act, it is possible that requirements may be modified to reasonably accommodate disabled individuals. However, no accommodations will be made which may pose serious health or safety risks to the employee or others or which impose undue hardships on the organization.

Job descriptions are not intended to create employment contracts. The organization maintains its status as an at-will employer. Employees may be terminated for any reason not prohibited by law.
